

Marine Services

UNEC is the official representative in Malta for world renowned brand Caterpillar. UNEC offers professional marine services by means of highly specialised mechanics and technicians who operate from a well-equipped service centre in Burmarrad. Expeditious on-location service for all marine engines is also provided. In addition the company operates a spare parts store that has a large inventory of parts always available on demand.

When it comes to reliable engine power on the water, you can't afford to compromise. CAT marine engines and technologies provide proven power and are built to last in any marine applications.
